➤ **Association Description:**

A Global Alliance of Investigators & Security Professionals

With origins dating back to 1921, W.A.D. is the longest established and largest association of its kind in the world. The W.A.D currently has close to 1,000 members representing over 80 countries around the world.

The World Association of Detectives was formed as a joint venture by the combined membership of the World Association of Detectives and the International Secret Service Association for the following purposes:

- To promote and maintain the highest ethical practices in the profession of private investigator or security service;
- To select for membership only those individuals whose personal and professional backgrounds and business affiliations have strictly observed the precepts of truth, accuracy and prudence;
- To eliminate unreliable, incompetent and irresponsible members of the profession;
- To foster and perpetuate a spirit of cooperation among its members and with all those engaged in law enforcement; and
- To further and establish a mutual feeling of trust, goodwill and friendship among agencies throughout the world.

➤ **Association Activities:**

The WAD hold 2 meetings per year; a midterm board meeting usually in the spring and an annual conference in the autumn. The meetings are an opportunity for our members to attend seminars, interact and network with members and form trusted professional and personal relationships with our like minded professionals around the world.
