Association Membership Criteria: Full membership available to investigators who hold a valid PI license.

Comments on Association Activities, if any: The government appears to have put on hold plans for new legislation regulating private investigation. The HDA is maintaining contact with government agencies and following developments closely. The association is also contributing to the restructuring of the national vocational awards system as it undergoes transition to comply with European Union criteria as well as taking part in efforts to secure

an international standard through its membership of the Hungarian Standards Organization. Seminars with guest speakers are organized on a regular basis.
