Association Membership Criteria: three years in business in own company or in managing position, person of good standing, license where required

Comments on Association Activities, if any: Two meetings a year, one AGM consecutive in America/ Europe / Asia (mostly around September) and one mid term board meeting open to all members, mostly around May.

Total No. of Members: 936

Is there a Government License? : WAD is an US corporation / member licenses depends on their country

If yes, under what authority? : US

Name of Licensing Regulator: in US different from State to State

If no, is regulation proposed? : YES

Comments on Regulation, if any:

WAD is in close touch to national PI associations through its members. Regulation is always a national matter and can't be organized world wide on the same level.

However WAD supports NCISS to support the US regulation and legislation activities.
