Our next training, training workshop will attend in autumn 2015. Training workshops are open for public.

- For April 26, 2014 the members have got an Invitation to the German Parliament, (Deutscher Bundestag), by its Vice President Mrs Petra Pau.

This meeting was a highlight for our association. The guided tour to the places were the Member of German Parliaments debate our national and international politics was finally finished by a meeting with the Vice President of the German Parliament for 1 ½ hour. Our colleagues has had a very open talk with these high politicians.

The vice-president of IKD, Georg Hirtl, took part in this meeting and he used the opportunity to discuss with German Parliament Vice president Problems our industry. Georg Hirtl gave a short statement about the situation in Europe and pointed out there differences to Germans Private Investigators that led to the question why Germany PI are unregulated.

- Some members worked very hard to prepare the documents for the necessary documents for Certification our BID-Continuing-Professional-Development-Programme.

- working on a recent concept for sustainable development as "professional association of private investigative service"

- We have taken over the recommendations of IKD regarding "data protection" into our training program

Next Annual Meeting will, held in April 2016 in Hamburg.

BID invite IKD-delegates for its annual meeting in 2016 together with our members in Hamburg hold.
