Directory of Members	open for public
Disqualification	Disciplinary procedures (look up Rules and Regulations of Professional PI of Germany), passed by further German second associations BDD too and the "BID Code of Ethics". BID has installed a so-called "Clearing Office". It deals matters of concern even with by participation of unorganized counterparts.
Notice:	The two German professional Association on Saturday, February 23, 2019, the two German associations, the Bundesverband Deutscher Detektive/BDD and Bund Internationaler Detektive/BID have joined to form only one professional

association in Germany. The merged organizations gave themselves a new name (at this stage he may not yet be used). Until now the associations have to wait for the official confirmation from the competent courts. These days both boards working together for benefits for the whole membership.
